

## **EESL's E-Tender ID: 1394**

**Tender** from Energy Efficiency Services Limited (EESL) (A Joint Venture company of Public Sector Undertakings under the Ministry of Power, Govt. of India). Ref.: EESL's E-Tender ID: 1394; NIT/IFB/Bid Document No. EESL/06/ICB-AMI-System Integrator/171809048 dated 07-Sep-2017; closing on 28-Sep-2017; Pre-bid Meeting Scheduled for 20-Sep-2017

*{International Competitive Bidding (ICB) for Design, Supply, Installation, Integration, Commissioning, Operation and Maintenance/FMS Support of Advanced Metering Infrastructure (AMI) Solution for 5-million Smart Electricity Meters with GPRS-based Communication Module for Haryana and Uttar Pradesh states of India}.*

The Energy Efficiency Services Limited (EESL), one of the first and largest Energy Service Company (ESCO) of South Asia, were set up as a Public Sector Undertaking under the administrative control of Ministry of Power, Govt. of India through equity participation of four Central Public Sector Undertakings (CPSUs) of Ministry of Power (viz., NTPC, Power Grid, Power Finance Corp. and Rural Electrification Corp.). Among the other, the main objective of EESL is to implement the Energy Efficiency projects for demand side measures including Street lighting, Domestic Efficient Lighting Programme (UJALA – LED Bulbs Distribution Programme), Power distribution sector, Agriculture/Municipal pumps, Public Buildings and Smart Metering. EESL has already distributed more than 20 million domestic LED bulbs and have replaced approximately 2.5 million LED Streetlights all over India. The latest in addition to these measures is rolling-out of Advanced Metering Infrastructure (AMI) solution in Haryana and Uttar Pradesh states of India.

In this context, EESL has published a Notice Inviting Tender under InternationalCompetitive Bidding (ICB) bearing reference as above. The relevant Tender documents and information are also attached herewith. The notice is widely published on the following platforms:
